Thoughts from the Boss!

Let's get a show of hands.... Tired of the cold yet? I hope everyone that attended the 5th Annual Bonnet & Boot Party at the Petroff's had a great time.

good keeping your battery charged with that fresh oil in your car. All the better for the start of the driving season. Yes...it's almost time for the Spring Kick Off Brunch April 7th. This year plan on attending the Minnesota Horse and Hunt Club [2920 220th St E Prior Lake, MN 55372](http://www.mnhorseandhuntclub.com). Come out and reconnect with fellow club members while we review this summer's events.

At our officers/club member meeting in February we talked about the Success of the Holiday party. Paul Lyon has evaluated his positions and now thinks keeping the membership coordinator and treasurer position combined is reasonable.

Only 2 weeks after the Kick off we will have a tech session April 21st to talk about using that volt/ohm meter you have been carrying around in your boot all these years. Lucas the Prince of Darkness can be understood! We will review what happens when you let the smoke out of the wires and why it's so hard to put it back in. The host for this day will be none other than your president. There is no prerequisite for this class but a review of Ohms law could be a good thing. We hope to start about 10am.

But our club does have immediate needs. It's not too early to campaign as our replacement secretary. Elena has graciously agreed to stay on this year but we need a replacement. Also this is the last year for our newsletter editor Sue Greenway. Remember we always need stories and pictures. Contact Sue and Elena with any questions about their duties.

See you on the road!

So cold or not I know all you all have been

Gene

VP's Corner

It's hard to believe February is already behind us. I'm certain all who attended the *Boot and Bonnet Party* at Petroff's had a great time. Many thanks to Joan and John for inviting everyone to their place. Unfortunately, Steve and I couldn't attend this year as we had a gig that evening with our band. Sorry we had to miss out on the fun.

The first weekend in February Steve and I were able to get our snow machines out and go for a ride.

The trails were in great shape due to all the snow we had gotten the previous week. We left from our house and traveled across Lake Altoona and then up the Eau Claire River to get on the Seymour Township trails. I so enjoy driving my machine through the woods. I really should get a *GoPro* camera to attach to the sled or to my helmet, that way when we twist and turn through the forest I could capture the beauty on video. I would have loved to go riding when we had all the snow still clinging to the trees, but I was stuck at work on those days. By the weekend the temperatures had risen and had melted the snow away. After about two hours we stopped at *The Brown Hut Bar and Grill*. We were planning to have lunch but the place was so busy with snowmobilers we only stayed long enough to warm up before heading back out on the trails. Our next destination was the *Fox Run Bar and Grill*. We enjoyed a late lunch and then headed home. Luckily, we managed to get home before the sun set. We hope to get in at least one more ride before the season is over. We are so darn busy with work, the band, family and car stuff that we

never know when our next adventure will be. The weather has to hold up and land on a weekend that we aren't already booked with something else for that to happen.

Now back to the car news: I know you've already read Gene's column so now you're up to date on the meeting we had in February at *Dick's Bar and Grill* in Hudson. We had a nice turn out, were able to discuss all the current activities, and still get back to Eau Claire by 9:30pm. It's always fun to see everyone and get excited about the upcoming events. The Kick off Brunch looks like it's going to be a lot of fun so be sure to R.S.V.P. as soon as all the details come out so you don't miss it! As Gene said, it will be at the Minnesota Horse and Hunt Club. I've never been there but I checked out their website and it looks really nice! Be sure to check it out <http://www.horseandhunt.com/>

I've been keeping busy working on *Rally in the Valley*, every day and enjoy checking the mail to see who is coming. We have folks coming from Ontario Canada, Illinois, Michigan, Iowa and Wisconsin along with some Minnesota Healey Club members, Minnesota Jaguar members and of course Minnesota MG Group members. Time is drawing near so don't forget to save some money and register before March 24th! It's easy, you can do it on-line at www.mn-mgggroup.org or print out the form from this newsletter. If you are new to the club or have never attended *Rally in the Valley* or never attended a weekend British Car Event *Rally* is perfect for you! You don't have to travel far from the city to start the weekend and you will enjoy the spectacular country roads we have designated for the drive on Friday. Keep in mind we have the perfect place to park your car on the green for Saturday's Car Show. These are just a couple of the events highlight's. Don't hesitate to join in on the Fun! Spring is on its way; and it will be here before you know it.

See you soon, **Diane**

**A REMINDER FROM OUR TREASURER
PAUL - Membership Dues**

It's hard to believe that in only two months the exciting spring driving season will be upon us. Until then I'm trying to get as much of the **treasury-bean-counting-membership-kind-of-stuff** out of the way so when the warm weather comes I'm in the garage or out on the road as much as I can. I'd be remiss if I didn't remind you that when you get your MMGG dues in by April 30th you receive a \$5 discount.

Also, this year an additional \$5 discount is being offered to MMGG members that belong to either NAMGAR or NAMGBR. Membership in either these national MG clubs play an important role in supporting local clubs like ours. I've been a member of NAMGAR for many years and can highly recommend it as a great resource of fun current MG stories, historical articles and technical information from other clubs in the US and across the pond. So please consider

this additional discount opportunity when you renew your MMGG membership.

You can submit your membership renewal by either using the link on the MMGG website or by using the paper form located at the back of the MMGG monthly Newsletter.

Make your membership check out to the Minnesota MG Group and post them to Paul Lyon 2589 Seans Way, North St Paul, MN 55109.

I look forward to seeing you at the next event. If you have questions please email me at: plyon1962@gmail.com

It is a little early we realize but we want to get the word out that there are a couple of fabulous opportunities awaiting you next year. Both **Elena Biessener (Secretary)** and I (**Sue Greenway -Newsletter Editor**) will be done in our respective roles. Elena is currently in an overflow term and was gracious enough to stay on while we look for a replacement. I will be finishing up my 4th year as editor.

The Newsletter role is also a wonderfully creative role and that alone is very enjoyable. It has been a fun, creative outlet and has given me an opportunity to get to know many great people in the club I wouldn't otherwise know. While my term will be done, I will be here to mentor and train to the extent needed.

If you have question about either role just get in touch. Both our emails and phone numbers are on page 2 above.

Now finally, who's the KING??

PAST EVENTS

Thank you **Joan and John Petroff** for hosting another great Boot and Bonnet! If anyone has pictures send them my way and we can publish a few highlights of the festivities in the April Newsletter!

“Back to the Bay”

28th Annual Vintage Sports Car Rendezvous

Past Rendezvous Participant,

This is your personal invitation to "Back to the Bay", the 28th Annual Vintage Sports Car Rendezvous in Thunder Bay, Ontario, Canada - June 7-10, 2018.

This event was first held in Thunder Bay in 1991 with the support of the Austin Healey Club of Manitoba. Local efforts on the part of a few enthusiastic sports car owners yielded a great weekend (even though it rained) with 37 cars registered. Our American Austin Healey guests had such a great time they decided to host the event in 1992, and it has since become an annual multi-marque, multi-location, multi-club event.

The Rendezvous has continued all these many years due to the combined efforts of the Thunder Bay Vintage Sports Car Club, Manitoba Austin Healey Club, Triumph Driver's Club of Manitoba, Minnesota Austin Healey Club, Jaguar Club of Minnesota, Minnesota MG Group, Wisconsin Austin Healey Club, and in 2011 we welcomed the British Iron Society of Fargo, North Dakota. This will be the 9th Rendezvous event hosted by the TBVSCC.

So what is the secret to the Rendezvous longevity? **YOU!** We have a common bond, a deep-rooted interest in Vintage Sports Cars and a motivation to share a good time with others that possess the same interests. It is not uncommon for some of our partners to suggest that at times we do seem "possessed"!

In 2018 spirited by the Sleeping Giant we invite you "Back to the Bay". Preliminary plans have a mix of new and old activities as well as tours of local points of interest including (driving tours, and a fascinating drive to an incredible mountain view of the City; and last time everyone so enjoyed the Celtic music and dance evening that we're having it again – set in a rustic rural barn. Also, a trip to Russ Wanzuk's museum of old racing cars and motoring memorabilia; followed by the car show in a gorgeous waterfront setting. Following a wine and cheese gathering and tech session Saturday will culminate with a fine banquet and awards ceremony.

Those who arrive early on Thursday may even find time to squeeze in a round of golf.

We look forward to hosting you once again in Thunder Bay – hope to see you soon!

Hotel: Best Western Plus Nor'Wester Hotel & Conference Centre @ 1-888-473-2378.
