From the Boss

So here we are in February already, and I for one welcome more daylight hours. Our MG year has started out with our holiday party, and soon our Bonnet & Boot Leap Year gathering. See details below. With days getting longer, get ready for the beginning of Spring on Thursday, Mar 19th. Time to uncover the MG!

The first official business meeting for 2020 is February 6th from 6-8pm. With officers and members always invited, we have moved the meeting from Hudson to St Paul. If you have any comments or cabin fever and need to talk MG come out to Joseph's Grill 140 Wabasha St S, St Paul, MN 55107. Old business was the carry-over from our November Business meeting. There was a vote at the Holiday party to amend the bylaws. The verbiage prohibiting the club from purchasing alcohol has been voted on and removed. Now this does not mean it is open bar time, on the club. The change was to keep us in line with other car clubs' bylaws.

The Petroff's Pub may be closed but the festivities live on. This year join us for a Bonnet & Boot Leap Year party February 29th in Hudson. Look for details on the club web calendar. As tradition demands, this is pot luck. Alternatively, you can call or email our hosts June & Tom Moerke of your intent to participate in the festivities by Saturday, February 15th; tcmoerke@att.net or (715) 381-6856

From the Boss (Con't)

I know we are anxious to get our cars back out on the road. The Bonnet & Boot party may be too early, but with Spring comes the Kick Off brunch. Come out this year to the Machine Shed in Lake Elmo starting at 10am. Final details are coming together but watch the web calendar and then email our host, Lorna McReaken at MGB1969@msn.com or call (952) 890-0102. Remember, to RSVP by 2 weeks prior to April 25th, which is April 11th. The sooner, the better!

Then just one-week later Quality Coaches is again hosting John Twist at Quality Coaches. Call Mark to reserve your spot today.

Again, this year the requirements of a chapter club is to report on affiliated members, indicating how many MMGG members also belong to NAMGAR and/or NAMGBR. Please & thank you to all that are also members of our sponsoring national clubs.

And for those who still need to pay their 2020 dues, you still have time to join NAMGAR and/or NAMGBR to secure your discounted MMGG club dues. Not only that, you can beat the rush of renewing at the Kick Off Brunch. Conveniently, renew your MMGG dues all while receiving a \$5 discount when your renewal includes either a NAMGBR or NAMGAR member in good standing membership number. Make sure you send in your dues and a renewal form from our updated webpage that includes your national membership number. Make your checks out to the Minnesota MG Group and post them to Paul Lyon 2589 Seans Way, North St Paul, MN 55109.

Too many of you....well over 80 members, have not sent a picture yet. If you want a picture in the membership directory, please get one coming. A small close-up picture is what I need. Follow the photographer's instructions, "close like you like each other".

It is never too early to start planning for this summer's must-attend events for more reasons than just asking for vacation time off. Remember when possible we like to travel on some roads

less traveled, keeping off major expressways. First we are off to NAMGAR-GT 45 in Colorado Springs, Colorado May 31st-June 4th. This is about a 13-hour total drive-time trip. If we can get some folks to caravan, we hope to make the trip with one stop near Omaha NE.

Now it's time to make sure your passport is in order! Rendezvous is taking us across the border to Kenora ON, Canada June 11th-13th. This is only about a total 9-hour trip, mostly straight North from the Twin Cities, but again we can plan a stop a bit past halfway.

So you have come back from Kenora. DON'T put away that passport. Now its time for the long drive! This year the NAMGBR convention is in Calgary Canada June 28TH-July 1st. *Did I mention this is a long drive.* Expect up to 20 hours of driving time. These are the big ones on the list.

Your president and the first lady hope to be traveling to these and who knows, maybe even a few more. Remember the strength is in numbers in an MG caravan. The MG travels very well between 60 & 80 mph. Honest!

We still need stories, questions, and comments for our new newsletter editor so fire up those word processors and get typing. Pictures too!

See you on the road!

From the V.P.

As many of you may know, this is my second go-around as “Madame Vice” - a position I held for many years at the “turn of the century”. I believe the title was given to me by my good friend, Jim Pennoyer, who could always be counted on for coming up with some snarky comment. As memory serves me (and it frequently doesn't these days) I also served as Club Secretary for several years following my rein as Madame Vice until carpel tunnel did me in.

We held our wonderful Holiday Party last evening. Kudos to Paul and Sue Lyon for a job well done. The food was delicious, the room was a perfect size for our group and everyone went home with a prize! Thanks also to Cindy O'Brien Byboth who crafted all the centerpieces, and the other volunteers (Sharon Kelsey, Cindy Pennoyer, Jennie Anderson and anyone else who I may have missed.) I saw Paul taking lots of pictures so I'm sure Edmund will be printing them in this issue.

As a group we voted to remove an amendment to our By-laws which prohibited the Club from reimbursing hosts for providing wine or beer at functions. It was felt that this comment in our by-laws opened the door to more potential legal issues than not mentioning alcohol at all.

Big News! The MMGG MG Girls will be getting some national press! Gene Cooper referred a inquiry from Larry Sanata, editor and publisher of North American Classic MG Magazine to me. Larry said he had heard about the Minnesota MG Girls and wanted to do a feature article on them for their February issue. He “interviewed” Dawn and I, and I provided some pictures. Larry also sent me a couple of back issues of the magazine, and I have to say it is truly beautiful. Lots of good articles and many great pictures (some full page shots). I immediately ordered a two year subscription! If you are interested in subscribing to this publication you can send Larry a check for \$26 for a one-year subscription or \$50 for a two-year subscription. The address is NA Classic MG Magazine, P.O. Box 1581, Dublin, OH 43017. I'll bring the issue with the article on our MG Girls to several events this year, but you might want to get your own subscription.

That's all for now. Can't wait for the driving season to begin!

2020 Lake of the Woods Vintage Sports Car Rendezvous

Since sending out the registration information for the *2020 Lake of the Woods Vintage Sports Car Rendezvous* a week ago we have had a great response. We have also had a few questions about the Registration Form. Taking that feedback into account, and in an effort to make it easier to understand, we have attached an updated version of the Registration document. Please distribute this to your club members. Note that anyone that has already mailed their registration is ok. There is no need to send a second registration form.

As well, some of you may have seen in the news that there was a fire at our host hotel, the Clarion Lakeside Inn & Conference Centre, on January 17th. The Rendezvous Organizing Committee is aware of the situation and has been in contact with the facility management. The Organizing Committee and Hotel Management are working together to minimize any impact this may have to our event in June. We will let you know should there be any action required on the part of the attendees.

From the Editor

As soon as I receive any updated information from the 2020 Rendezvous Committee regarding the issue with the host hotel I will get that out to the membership. I also received some questions at the holiday party regarding the cost for extra items such as the Kenora cruise. The price shown is for each person.
